

Announcing MaxLove Project's 2024 School Garden Grant Challenge!

**Compete for grants to support your school's
garden projects or a field trip to Tanaka Farms!**

Calling all K-8 SoCal innovators!

MaxLove Project is requesting innovative proposals from collaborative teams of K-8 students who are passionate about school gardens, nutrition, and farming!

We want to hear your ideas for how to solve some of our biggest problems in hunger, access to healthy food, and nutrition education. Winning teams will be awarded a grant for their school to use for their garden project or a field trip to Tanaka Farms.

Applications are open to teams of K-8 students in Southern California. If selected, teams will be asked to present their idea at Tanaka Farms on April 28, 2024.

Grant Awards:

First Place: \$1000
Second Place: \$750
Runners Up (x2): \$500

*Grant checks will be mailed directly to the school only.
